

## Advance Beneficiary Notice of Non-coverage (ABN)

Medical and Vision insurance do not cover all services. These services may include the following:

SERVICES OR TESTS	FEES	DESCRIPTION OF DIAGNOSTIC TEST
<b>Pupil Dilation</b>	<b>Included in exam fee</b> <input type="checkbox"/> Yes, I consent <input type="checkbox"/> No, I decline (PLEASE INITIAL)	<b>WILL BE PERFORMED AS NECESSARY.</b> Eye drops are used to allow Dr. Ton to exam the retina for holes/tears/abnormalities. The side effects are light sensitivity and decreased ability to focus up close for 4-6 hours.
<b>Refraction</b>	<b>\$60</b> (covered by vision plans)	Needed to determine your prescription for glasses. <b>(MEDICAL INSURANCE DOES NOT COVER REFRACTION)</b>
<b>Pre-Test Bundle</b>	<b>\$85</b> (savings of \$35) <input type="checkbox"/> Yes, I consent <input type="checkbox"/> No, I decline (PLEASE INITIAL)	<b>Computerized Retinal Scan, Corneal Topography and Retinal Photos -</b> Dr. Ton recommends these tests to be performed yearly. <b>(NOT COVERED BY INSURANCE)</b>
<b>DESCRIPTION OF TESTS BELOW.</b> <b>You can choose to select individual testings and decline the Pre-Test Bundle.</b>		
<b>Computerized Retinal Scan</b>	<b>\$45</b> <input type="checkbox"/> Yes, I consent <input type="checkbox"/> No, I decline (PLEASE INITIAL)	<b>Recommended for all patients age 12 and older:</b> a quick, non-invasive light scan that allows us to see beneath the surface of your retina. This unique technology can help detect vision threatening diseases in their very early stages when they are most treatable.
<b>Corneal Topography</b>	<b>\$35</b> <input type="checkbox"/> Yes, I consent <input type="checkbox"/> No, I decline (PLEASE INITIAL)	<b>Recommended for all patients age 12 and older:</b> a non-invasive technique for mapping the surface curvature of the cornea. The cornea is responsible for 70% of the eye's refractive power so the topography is important in determining the quality of vision and corneal health and is useful to screen for keratoconus.
<b>Retinal Photos</b>	<b>\$40</b> <input type="checkbox"/> Yes, I consent <input type="checkbox"/> No, I decline (PLEASE INITIAL)	<b>Recommended for patients age 5 and older:</b> photos of the retina, macula, blood vessels and optic nerve (dilation not necessary for most patients).
<b>CONTACT LENS SERVICES</b>		
<b>Contact Lens Fitting/Evaluation</b> Applies to all new/returning contact lens wearers.	<b>\$135-\$850</b> <input type="checkbox"/> Yes, I consent <input type="checkbox"/> No, I decline (PLEASE INITIAL)  <b>Contact evaluation/fitting fee is a separate charge from an eye exam and is non-refundable.</b>	Dr. Ton recognizes that all eyes are different and require different care. Depending on your contact lens requirements, the following services will be provided: contact lens training, lens care kit, trials (if available), and follow up visits to finalize prescription. For patients who require additional correction or specialty lenses such as astigmatism, multifocal, irregular corneas, post surgical corneas or keratoconus, the office will provide a quote that matches each individual's needs. Once Dr. Ton has finalized your prescription, you are eligible to come back within 3 months to make changes without a fee.

Signing below means that you have received this notice and understand the charges. If you have any questions, please ask the staff to clarify any charges prior to services being rendered. Thank you!
